OUR COMPANY

We are a family-owned fence company, started in 1979, looking for motivated professionals to join our team and help us continue to be one of Kansas City's largest and best fence companies. We specialize in custom fences with the **best** customer service available. We install wood, chain link, vinyl, aluminum, steel, and automated gate operators. We service residential and commercial projects with new construction, tear-out / replacement, and repair services. We are expanding our operations and need you to help us continue to grow. We value our employees. We offer training, competitive wages, health insurance with dental, vision, and life available. We offer paid holidays, vacation, and a retirement plan with company matching contributions. We work year round, weather dependent.

JOB DESCRIPTION

You will be responsible for successfully completing fence installation projects. You will need to be familiar with the types of fence we install and understand the installation specifications/instructions. You will be responsible for the work your crew performs. You will need excellent communication, organization, interpersonal, and problem solving skills. You will be required to communicate job schedule and progress with customers and the project manager. You will: read/understand shop drawing and technical data as necessary; operate and maintain hand tools, power tools, fork lift, skid steer loader, and other equipment; load material; drive and maintain an installation truck; meet with customer to review contract; install specified fence per the contract; maintain a safe and clean jobsite; and complete and promptly turn in the appropriate paperwork. Guier Fence provides the truck, equipment, and most tools necessary for installation. You must: be willing to work on Saturdays as assigned; demonstrate a high degree of integrity, hard work, and motivation; and be willing to work as a one-man crew when necessary. After training is completed, this position pays a piece rate based on type and amount of fence installed. You will be responsible for helping to train assistant installers. There may be opportunities for commercial fence installation.

REQUIREMENTS

You must: be able to lift up to 100 pounds and push a 300 pound wheel barrow at least 100 feet; have a valid class E driver's license, insurance and reliable transportation; be able to use measuring devices and do basic math calculations; be eligible to work in the U.S., pass a drug test, pass our background check, and be able to work under strict guidelines. Spanish language proficiency is a plus.

Guier Fence is an equal opportunity employer. Applicants for employment are considered for all positions without regard to race, color, religion, gender, national origin, age, disability or genetics, martial or veteran status.

TRAINING

We will provide training for the position. This includes material, installation techniques, contracts, supplies, jobsite procedures, and other company specific processes required for the position.

ATTITUDE

Teamwork is an essential part of this job and our company culture. We all work very hard in our positions and help each other to accomplish tasks each and every day. We work to improve efficiency with each new project. Your skill set, unique experience, and ideas are crucial to the success of our company. We welcome new ideas and appreciate the type of individual that is open-minded about learning our processes and truly cares about the company as a whole.
